

Community Helpers

It's Community Helper Week here at AE. We will be learning about all about our community helpers and what they sacrifice each day to provide for our community. It a week of learning and appreciation here. We will be dressing up, having themed arts and crafts and lot of activities are in store for this week. We are looking to take a field trip this week to meet some real life hero's in our community as well as having some special guests stop in and talk to the kids and play some games with them. We have some great things planned for this week. Between surprise visits, field trips, and all the interesting activities, it's a week no one is going to want to miss. Can't wait to see you there!
